

## **Mabel Prichard School Sports Premium spending and summary for 2017/2018**

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6. This funding must be used to make additional and sustainable improvements to the quality of PE and sport we offer.

There are 5 Key indicators that we should expect to see improvements in:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school;
- the profile of PE and sport is raised across the school as a tool for whole-school improvement;
- increased confidence, knowledge and skills of all staff in teaching PE and sport;
- broader experience of a range of sports and activities offered to all pupils;
- increased participation in competitive sport.

In Mabel Prichard School we adapt Sports, Physical Development and PE to include full range of skills that students need to learn. We define PE differently for pupils with severe and complex needs and at Mabel Prichard PE includes opportunities to support good postural and physical management for wellbeing. This may include:

- Making effective use of physiotherapy or occupational therapy where programmes are designed to meet individual needs and to promote access to a range of physical activities.
- Providing alternative activities, where necessary, to overcome difficulties with manipulating tools, equipment or materials.
- Taking account the pace of at which pupils work and the effort it requires, and giving pupils time to finish the activity.
- Ensuring enough opportunities to develop independence are created.
- Using specialist aids or equipment to achieve targets.

The allocated Sports Premium funding for 2017/18 was £16370

<b>Purchased item</b>  <b>Activity</b>	<b>Cost</b>	<b>intervention</b>	<b>Impact</b>
Membership of Oxford Academy Sports partnership  (Bronze level)	£4000  Weekly PE lessons at TOA by qualified PE teacher  Support for swimming  Lunchtime club once a week  CPD for Mabel Prichard School staff	Planned activities to support physical development and sporting participation with a social context .
