Message from the Headteacher

Dear Parents and Carers

I hope you are all keeping warm now the weather has turned colder.

Leaflets will be coming home to primary parents today about our new on-line uniform ordering system. There is also a link on the website.

Our new KS2 climbing frame is going up and is looking great. We are expecting it to be finished by the 5th December. We will send photos when it is complete.

Finally our KS4 students are preparing for their enterprise stall at the start of December. Look out for further information about when their items go on sale.

Have a great weekend

Best wishes

Lucy

Student of the Week

Orange: Trey

Blue: Hassan

Road Safety

Around 5,000 children under the age of 16 die or are seriously injured on Britain's roads each year. Nearly two in three road accidents happen when children are walking or playing. Almost two-thirds of child accident victims are boys. As a child gets older the risk of a road accident increases.

This week the whole school has taken part in Road Safety week as part of 'Brake Kids Walk', classes have been doing work around staying safe when crossing the road and out in the community. Around the school there have been displays created to share their learning with others. Please remember to stay safe when driving and walking out in the community.

Sport Relief

We have received our certificate and final total from Sport Relief. We raised an amazing **£846.45**.
