Dear Parents and Carers

We are coming to the end of our being healthy topic across the school. Students have been learning how to eat well and keep their bodies healthy. Hopefully you have seen some of the learning around at home. If you have any examples, we'd love to hear from you.

Can I remind you that attendance is really important to support our children in making good progress in their learning, social and physical skills. Unless your child has an obvious illness like sickness and diarrhoea, a virus or a known medical reason why they can't attend, please send them in and we will ring should they need to come home.

We will be finishing for Easter at 1pm on Friday and return on Tuesday 23rd April at the usual time.

Have a really good weekend.

Best wishes

Lucy

**Gold Class**

In Gold we have been appreciating our wonderful mother's and carers this week! We have been talking lots about what makes the ladies in our lives special and how they have made us the amazing people we are today. We hope that all you superwomen have a lovely weekend and Mother's Day! We have also been looking at the digestive system this week in science and we made healthy fajitas today in cooking! A fantastic end to a beautiful sunny week of learning!
