

Pupil outcomes 2017-2018

Achievement and progress

Pupils made expected progress in all areas of English and maths in most of the Key Stages,. If that has not happened, we have looked into the reasons why these pupils have not made enough progress and made an action plan. The number of pupils who are making less than 10% progress has significantly reduced over the academic year in both Primary and Secondary phases. Reasons for less progress include high medical needs or hospital admissions. In other cases, more specific support has been put into place for pupils to make sure we are supporting progress.

Phonics Screening:

Entry for the phonics screening is judged on an individual basis.

No pupils in years 1 or 2 were put forward for the phonics test in 2017/18.

For pupils who attend Mabel Prichard School the Phonics Test is not appropriate, however this does not reflect the aspirational targets that we set for them.

The school follows the Letters and Sounds phonics scheme.

The school does not adopt a particular reading scheme instead choosing books that meet the needs of the individual pupils.

Should you have questions about the Phonics Screening Test or supporting your child with reading please contact your child's class teacher.

Destination data:

We work hard to support your child to move on when they reach the age of 16. The table below shows the provision that those children aged 16 and over moved to when they finished at the Mabel Prichard School in July 2018.
