Dear Parents and Carers

We have had an exciting week with Adviza in. They are an independent organisation who teach and advise on career and education options from 16 onwards. They have been working with students from year 3 upwards since Tuesday, to explore jobs and college course options and everyone had great fun.

KS2 also had Shahidah, our parent governor, in to teach the children how to cook pakora. The school smelt beautiful and we are really grateful.

If you bring your child in to the primary site in the mornings, please could you make sure you park in the marked bays, walk your child round the edge of the car park and use the zebra crossing. As you will be aware, it is a tight operation and we need to make sure everyone sticks to a clear routine to ensure safety. On the secondary site, please ensure you use the one way system and wait until you are outside the school before getting your child out. The space is very tight and can only work safely if we operate a clear queuing system.

Have a great weekend. We finish at the normal time next Friday and return at the normal time on Monday 3rd June.

Best wishes

Lucy

Student of the Week

Orange: Ariella	Purple: Soul
Blue: Raphael	Red: Paige
Yellow: Brody	Green: Jardell
Bronze: Shay	Silver: Hayley
Gold: Tom	Copper: Dalton
Platinum: Jamie	

Dates for the diary

Tuesday 21st May – Sounds Wild Key Stage 1
Friday 24th May – Finish for half term
Monday 3rd June – Back to school

Kirby Walk

We completed the walk by 10am on 15th May 2019, we have raised £44.92 for Save the Children. Thank you to Silver class and Primary who took part.

Joseph

Key Stage 2 Pakora Making

This week, each KS2 class was lucky enough to have a Pakora cooking workshop. One of our governors, Shahidah (Zahrah's mummy!), came to teach us how to make Pakoras. All pupils were really interested in the sessions and enjoyed exploring the ingredients using touch, taste and smell. Nearly all of us tasted the delicious creations after they were cooked. Thank you Shahidah for coming to share your culinary skills with us.

Adviza

This week students from Key 2, 3, 4, and 5 had access to careers advice and guidance. This was provided by Adviza who spent the week in school working with class groups across both sites. Students had the opportunity to learn about choices and options at 16 and 19+. Different approaches were used to explain a wide variety of jobs as well as possible apprenticeships and internships. Working skills, often associated with specific jobs, were explored along with information about our Local Colleges of Education. The week ended with students from each class providing a short presentation on what they had learnt.

Sound About

A select group of pupils from secondary went out on a trip to Camp Mohawk in Henley. They had a great time singing and listening to music in the forest. Some of the students from key stage 1 will be enjoying a similar experience next Tuesday and I am sure they will have just as much fun.
