Dear Parents and Carers

The sun is finally out and we have been able to have some breaks outside at last.

We have some exciting news as next week we will be joined by our new puppy, Rupert. He is a fox red labrador and after significant amounts of training, will eventually support with reading and help develop our students' caring skills. He will spend a year 'socialising' and will not have direct contact with any students, although he will be in Lee's office on secondary and Lucy's office on primary with a cage and a stair gate across the door, so students can see him and get used to him. He is Lee's dog and will travel with her according to which site she is working on. We are aware for the vast majority of our students this will be exciting and calming; however, some may be anxious around pets, particularly dogs. Please can you let us know if you anticipate any difficulties for your child and we can add it to our risk assessment and create a plan to support.

Please can parents be mindful of speeds travelled on both sites. Can you restrict speeds to 5 miles an hour and avoid moving any vehicle if a child is out of theirs and on their way into school. Similarly, if a vehicle is moving, please wait to get your child out.

We are busy preparing for the Cowley Road Carnival and are working with an artist to create our alien costumes. The Carnival is on 7th July and we are very much looking forward to taking part.

Apologies for the misprint in last week's newsletter. Sports Day is in the morning on 12th July on each site. All parents and carers are more than welcome to attend. We will send further details nearer the time.

Have a great and much warmer weekend.

Best wishes

Lucy

Student of the Week
