24th March 2020

Dear Parents and Carers

We are writing to let you know a member of staff has tested positive for Covid-19. This member of staff was sent home from the primary site on 17th March because of an underlying condition and not because they were displaying symptoms. They began to show symptoms in the last couple of days. We are letting you know so you continue to be vigilant, even though the vast majority of you are at home.

We have been in touch with Public Health England who gave us the following advice:

- Keep the site open to those pupils who absolutely need us, as we are no longer in the containment phase and the virus can just as easily be caught in the community.
- Continue with higher than usual cleaning of the site.
- Continue to remind staff and students on site to wash hands thoroughly for 20 secs. We are supporting all students with hand washing on site.
- As a reminder: if you, your child or anyone you live with has the following symptoms you must follow [guidance to stay at home](#):
 - A new, continuous cough and/or
 - A high temperature

You can use [NHS 111 online](#) if you or your child feels ill and you want to know what to do next. If you have any other questions or concerns, please get in touch with the school via enquiries@mabelprichard.org.

We appreciate this is a difficult and worrying time, and we would like to thank everyone for their continued support.

We will continue to keep you updated as the situation evolves.

Best wishes

Lucy Wawrzyniak
