Dear Parents and Carers

I hope you are all well and managing to stay safe and well at home.

I am writing with an update on the support the school is operating in these ever changing times and to remind you we are here for you, even if you are at home.

The government advice remains to stay at home, if at all possible, in order to prevent this virus from spreading. We have reduced our numbers down to the absolute bare minimum in order that we can avoid contamination as far as possible and this also allows us to rota as few staff as possible.

You are all hopefully aware of the Mabel at Home blog by now, which can be accessed via the 'learning at home' tab on our website. We also have a Facebook page for families to post work being done and to offer support at home. You can find this if you search 'Mabel at Home'. On Friday, we had a Zoom singing, signing choir with Annie at 2pm and this will be a regular fixture. If you are not on Facebook and need the log in, please do let us know via enquiries@mabelprichard.org and we will make sure you have the invitation.

You should also have received a welfare check email from your child's class teacher. Please do make sure you respond, otherwise we cannot know you are alright and we cannot find out what support you may need.

Finally, if your child is eligible for free school meals, you should have your vouchers by now. Please contact enquiries@mabelprichard.org if you are eligible and have not received them.

Take care everybody, stay in touch and stay safe.

Best wishes

Lucy Wawrzyniak
