Kidz to Adultz South which was previously scheduled for May 2020 has been postponed!

Disabled Living is pleased to announce the new date for Kidz to Adultz South which will now take place on:

Wednesday 30th September 2020, 9.30am – 4.30pm, at the same venue, Farnborough International Exhibition & Conference Centre

The Kidz to Adultz events are an extremely valuable and key source of information and advice for many, many people. Like many charities this has been a very complex and difficult time. Our priority continues to be the safety of all those involved, in particular our vulnerable children and young adults, their carers and the health professionals who support them, as well as our team and of course all the exhibitors and contractors involved in putting together these amazing events.

Stay Entertained at Home with These Television Series

Diversity is something that should be celebrated, and we think it's great to see that characters on TV and in film are becoming more and more inclusive. This includes portraying those with disabilities and those from minority communities. Although representation of people with disabilities in television is still only estimated at around 2.5%, this is something which we hope will increase in the coming years. Read our blog to discover some of these great TV series which are perfect to keep you entertained during lockdown!
