10th July 2020

Dear Parents and Carers

I hope you are all well and have had a good week.

It has been great to see your posts about sports week. If you have been filling in the list, please send it to us so we can send your well deserved medal and certificate home.

This time of year we would usually send the end of year reports and we will do this as usual. We aim to send the reports to you in the middle of next week. Although they are obviously slightly different, as we are only able to report up to March, we hope they are informative and give you a sense of your child or young person's achievements so far this year.

I have previously mentioned our end of year virtual assemblies. Both invitations will come out via EeZeeTrip but if you have not received an invitation by Monday 13th, please ring the school office and we will arrange a means of getting the invitation to you. The primary assembly is Wednesday 15th and the secondary is Thursday 16th. This will also be an opportunity to say goodbye to our year 14 leavers and to the 7 year 6s, 6 of whom are moving to the secondary site and 1 is moving to a new school.

We continue to work on the risk assessment for our September return. We will share details with you next week but the current plans are to keep primary and secondary separate and students in class bubbles as far as possible. They will need to share facilities such as toilets but we will continue with our stringent cleaning measures. There will be no swimming and a limit to off-site visits. We are currently working with transport to find the safest means possible of getting our students in and they are currently trying to ensure there will be enough vehicles available to respond to any changes. I will share the detailed information with you next week and there will be communication coming out over the summer holidays as it is highly likely I will need to communicate updates with you should there be a spike or a need to change plans.

I hope you have a really good weekend. As ever, please do contact us with any questions.

Best wishes

Lucy Wawrzyniak  
Head Teacher
