3rd July 2020

Dear Parents and Carers

I hope everyone is well.

We now have some more clarity about September and while there are an awful lot of details to iron out I can confirm our plan is to have all students back. There will be a number of changes and we will have a number of measures in place to try to mitigate risk as much as possible, while balancing the need to make the school feel as normal as possible for our students, who will need support transitioning back to school. We are working on a detailed risk assessment over the next week and we will be able to share our plans with you towards the end of term, as well as over the holidays should there be any updates.

We have been so pleased to see so many of you in our outdoor visits this week and we are pretty busy leading up to the end of term. Do contact school if you would like a visit, they are very heart warming!

Thank you to those who have signed up for sports week. We are very much looking forward to the challenges throughout the coming week and to seeing you and your families tackle them.

We will also send invitations shortly to the secondary virtual end of term assembly, which will include a goodbye to the leavers and to the primary one, which will also say goodbye to our year 6s, most of whom are joining our secondary site.

I hope you have a really good weekend and I will be in touch when we have more details about September.

Best wishes

Lucy Wawrzyniak
