## Parent/Carer return to school agreement COVID-19 September 2020

---

I/we agree to the following in order for our child/children to return to Mabel Prichard School:

- If you are bringing your child to school yourself, please come in as far as reception and use our hand sanitiser on entry. If another parent is also dropping off, please wait outside the lobby until they have left.
- Please send your child in with the minimum amount of additional items. This should be limited to the following unless there is an exceptional need for something:
  - a. A healthy snack for break time, a packed lunch and a water bottle (school meals will be provided as normal for those students who normally choose to have them)
  - b. A bag with only essential items (such as change of clothes, pads etc.) Please avoid sending in anything else, including cuddly toys, as these pose an infection risk. If you are in any doubt, please do ask us.
- You will need to be contactable by phone at all times and will need to have arrangements in place to collect your child quickly should they become unwell in the school day.
- Please send the home school diary in as normal with any communication we need. New home school diaries will be issued on the first day back.
- Please do not send your child in if they show any symptoms of the disease, e.g. high temperature (38 degrees or above) or a new continuous cough. Please then seek a test from the following website [Coronavirus \(COVID-19\): getting tested - GOV.UK](#) and inform us of the result.
- Please continue to adhere to the government advice on preventing the spread:
  - [COVID-19: guidance for households with possible coronavirus infection](#)
  - [Staying alert and safe \(social distancing\) - GOV.UK](#)
  - [Staying safe outside your home - GOV.UK](#)
  - [Coronavirus outbreak FAQs: what you can and can't do](#) to prevent the disease coming on to the school site.
