Message from the Headteacher

Dear Parents and Carers

We have had a busy week and cannot believe we are nearly at half term already. Every Friday we have 'Feelgood Friday' where classes have introduced their own themes. For example, Bronze and Silver wear bright pink leg warmers, Gold wear dinosaur themed outfits and Purple dress up and cook. This has really helped keep an upbeat and positive feel for everyone. Next Friday, we would like to have a Halloween theme across the school to raise money for the children's hospital at the JR. We are inviting everyone to dress in a halloween themed costume and pay a pound. If you do not have a costume, we will be making masks on the day, so everyone can take part. A separate letter giving you information about this is coming

home today.

You should also have received a letter about our teacher phone calls home next week. These are to give you an opportunity to discuss how well your son or daughter has settled in and if they are at home, what suggestions you may have for further support. Please return the time slot sheet so the class teacher can allocate you a convenient time.

Finally, apologies for the shameless sharing of the photo of my London Marathon medal and T-shirt, which arrived yesterday. This is the final mention I promise. I just wanted to thank you all again for the support you offered and hope that one day we can organise a whole school event based on a fun run and have a fete and fundraising activities going on.

Have a really good weekend

Best wishes

Lucy
