5th February 2021

Dear Parents and Carers

It is really good to share some good news with you. As a result of fundraising by our Friends of Mabel Prichard, we have been able to refit our primary library, which was a crowded dark space with shelves our students (and a number of our staff!) could not reach. It is now a really inviting space, which will be great for sensory stories, reading interventions and just a good space to learn in. This is the start of a lot of work being done to considerably improve our learning environment across both sites. Watch this space for exciting developments with the primary quad and a number of projects on secondary.

One day, when we can open properly to parents, carers and our whole community, we will have an official opening of the new library and quad space, and maybe some cake!

We're working  
towards Artsmark  
Awarded by Arts  
Council England

The engagement with Class Dojo is growing and we are receiving excellent feedback from you on what is being learnt at home, so we are able to carry on with our usual assessment. If you haven't yet told us you need a device to access this, or you need data, please let your class teacher know.

Thank you so much to all of you who have given feedback via the parent/carer questionnaire. There have been some comments that there is too much learning on offer. Please do not feel pressurised to complete everything. As we have such a range of learners in our school, we are keen to make sure we are offering enough for everyone, the idea is that you can pick and choose what is appropriate, rather than looking around for something to do. Please do continue to complete the form, it is immensely helpful.

Hope is our value of the term currently and we really hope this is the last lockdown and we can return to our proper school community soon.

Have a really good weekend everyone and take care.

With all good wishes

Lucy Wawrzyniak  
Executive Headteacher
