## Message from the Head Teacher

*Dear Parents and Carers*

*Welcome to our new look newsletter. Hopefully this will make sure you have clear reminders about what is coming up, and you can find items of interest more easily.*

*Thank you so much to those of you who attended our 'Meet the Teams' evening last night. It was good to be able to share our classrooms and some of the learning activities your sons and daughters access.*

*This month is Black History Month and students will have opportunities to learn about significant events and people throughout history. If you would like to contribute any pictures or stories, please do contact us.*

*Have a great weekend*

*Best wishes*

*Lucy*

## Orange class news

Orange Class have had an action packed start to the new school year. We are so impressed with our lovely students attention and enthusiasm. We start every morning with such a bubbly "hello" which brings a smile to all of our faces. We are having so much fun with our weather song every morning using our props. Jacob loves the rain and Jack loves the glittery sun. We are choosing our favourite weather to engage in our favourite weather activity. Olohije makes sure she counts everybody for me so that I get my register correct.

## Silver class news

Silver Class have really been enjoying our outdoor learning sessions with Hamish over the last few weeks. We have been exploring the outdoor school environment finding things with a variety of smells, colours and textures. This week we did some art work using things we'd found outside. Then we made prints of our paintings by folding them up and using a rolling pin to press the paper together. We have also planted some bulbs and seeds, and we are looking forward to watching these grow over the next few weeks.
